

Evacuation Plan - Your Safety First!

In case of an emergency, your safety is our top priority. Here's our simplified evacuation plan:

- Exit Calmly and Quickly: If an emergency occurs, calmly and quietly leave the building without taking any belongings with you.
- Meet at Designated Point: Proceed on foot to the designated evacuation meeting point assigned for your location.
- Contacting Emergency Contacts: Once you are safely at the evacuation meeting point, our evacuation leader will get in touch with all your Emergency Contacts using the most recent phone numbers you provided.

To ensure we can reach your Emergency Contacts efficiently, please keep your emergency contact details up to date.

If you ever need to make changes to your contact or emergency contact details, kindly email them to admin@unitystudios.com.au.
